Invitingly soft and casual, Miller offers an extensive range of options from upholstered and slip cover choices, right through to chaise end styles and a corner group.

The design team have selected a number of looks to highlight Miller's versatility. Pictured on the previous page, the casually styled chaise end upholstered sofa beautifully shown in Signature chalk has been infused with hints of charcoal to create a stylish pared-back look.

Choose a modern classic with the Miller slip cover sofa, contemporary and minimal styling is key to creating a modern-luxury feel.
